

Northwind Home Goods Store Policy Manual

This manual describes the customer-facing policies of Northwind Home Goods. It covers returns, refunds, shipping, payments, gift cards, price matching and the loyalty program. Store associates should treat this document as the single source of truth when answering customer questions.

Returns and Refunds

The standard return window is 30 days from the date of delivery. Items must be unused and in their original packaging with proof of purchase. Refunds are issued to the original payment method within 5 business days of receiving the returned item. Clearance items marked as final sale cannot be returned.

Damaged or Defective Items

If an item arrives damaged or defective, contact customer service within 7 days of delivery with a photo of the damage. We will send a prepaid return label and issue a full refund or a free replacement, including the original shipping cost. Damaged items do not need to be in original packaging.

Shipping Policy

Standard shipping takes 5 to 7 business days and is free on orders above 50 dollars. Express shipping takes 2 business days and costs 12 dollars. Orders placed before 2 PM local time ship the same day. We currently ship only within the continental United States.

Payment Methods

We accept Visa, Mastercard, American Express, PayPal and Northwind gift cards. We do not accept personal checks or cash on delivery. Payment is captured when the order ships, not when it is placed. Sales tax is calculated at checkout based on the delivery address.

Price Matching

Northwind offers price matching against major online retailers. If you find an identical in-stock item at a lower advertised price within 14 days of purchase, we refund the difference. Price matching does not apply to marketplace sellers, flash sales or clearance events.

Gift Cards

Gift cards are available in amounts from 10 to 500 dollars and never expire. They can be redeemed online or in any store and cannot be exchanged for cash. Lost gift cards can be replaced with the original receipt for the unused balance.

Loyalty Program

Members of the Northwind Rewards loyalty program earn 1 point for every dollar spent. Every 100 points converts into a 5 dollar reward certificate. Points are credited 24 hours after delivery and expire after 12 months of account inactivity. Membership is free and can be cancelled at any time.

Privacy of Customer Data

Northwind collects only the data needed to process orders and never sells customer information to third parties. Customers can request deletion of their account data at any time by contacting privacy@northwind.example.
